LIBRA

LIBRA is the innovative system developed and created by ISEO for electronic access control. With an incorporated credential reader standard, LIBRA allows you to unlock your door on your terms – using cards, RFID tag, or your mobile phone.

Providing the very best in security, LIBRA is available for both new doors and retrofit applications. Its heavy-duty composition can take a beating, resisting everything from storm damage to attempted break-ins with anti-drill and anti-break protection. It's the smart lock for homes, resorts, offices, and more.
